NOTES TO FINANCIAL STATEMENTS

1. Agency Profile

a. Creation of the Water District

The Bangued Water District (BWD), the original name, was formed on December 29, 1975 by virtue of Resolution No. 293 passed by the municipal council of Bangued. With its formation, the BWD acquired the ownership and management of the entire water system from the municipal government. On August 24, 1976 LWUA issued the Conditional Certificate of Conformance (CCC) No. 028 to BWD. As of December 31, 2014 the MBWD has 8,088 active service connections.

b. Vision/Mission

Vision: The Metro Bangued Water District envisions a progressive and responsive water utility that can sustain a highly reliable system for the benefit of all people in the populace.

Mission: The Metro Bangued Water District is tasked to contribute to the improvement of the quality of life of the residents of Bangued and its neighboring towns by providing adequate, reliable and potable water supply.

c. Service Area

The present service area of the MBWD covers four (4) municipalities: Bangued, Peñarrubia, Pidigan and Tayum.

d. Organizational Structure

The MBWD is composed of six members of the Board of Directors, a General Manager and four (4) Divisions, the Administrative Division, Finance Division, Commercial Division and Technical Division headed by Division Managers. A total of 68 employees of which 42 hold permanent positions and 26 Job Orders.

2. Summary of Significant Accounting Policies

a. Accounting Method Used

The District uses the Accrual Basis Accounting Method. Under this method, revenues are recognized in the period which they are earned regardless of when received while expenses are recorded in the period which they are incurred regardless of when paid.

b. Property, Plant and Equipment

Property, plant and equipment are carried at cost less accumulated depreciation. Significant improvements are capitalized and form part of the asset cost while cost of repairs and maintenance is charged to expense as incurred. These assets are depreciated on a straight-line basis based on the Table of Service Life provided by the Commission on Audit.

3. Cash In Bank
